website on cd-rom or electronic business cards

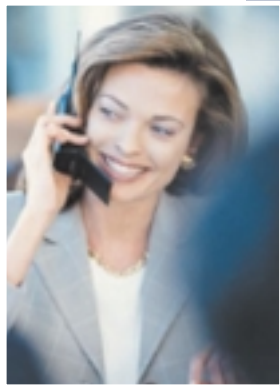

Harness The Power Of MultiMedia!

Your Website is a powerful and cost effective way of promoting your company. Done properly, it can generate sales and leads automatically. But why wait for customers or clients to visit your Website when you can send it to them? With your Website on CD-ROM or Electronic Business Card (calling card size CD-ROM) you put your entire organisation at your customer or client's fingertips. They simply run the CD-ROM or Electronic Business Card on their PC to assess your offer or message at their leisure.

It's ideal for...

Sales Reps, Direct Mail, Exhibitions, Training, Presentations

Call us now on freephone 0800 137 212 to harness the multimedia power of your Website on CD-ROM or Electronic Business Card!

buy print without leaving your desk

Print Express Direct's revolutionary new print-on-demand service lets you buy print from the comfort of your desk. All you need to do is pick up your phone!

It's a fast, no hassle way of getting the everyday business forms and stationery you need...

With Print Express Direct, you also save money. Because we supply direct, we can reduce your printing costs by around 15%. Better still, you get an EXTRA 15% DISCOUNT on your print if you order three standard stationery items at the same time!

Production is fast. Orders that would take a typical printer weeks to complete are turned around in a matter of days. Plus you get rapid delivery to your doorstep - we usually despatch your printing by national carrier within five working days.

print management

Print management services are also available.

If you are a large company or local authority you can significantly reduce printing and administrative costs. Please call for details.

website design

Harness The Power Of The Internet!

Print Express Direct can provide you with top quality Web designs that will help your business or organisation to harness the power of the Internet.
