How to buy print without leaving your desk

Imagine the convenience of being able to order printing in the same way you can with all your other office supplies .. without leaving your desk.

Well with Print Express Direct this is now a reality. We provide a fast, efficient and convenient service, cheaper than most local printers and with direct delivery to your company.

Ordering from Print Express Direct is fast, free and couldn't be easier. Simply decide which items you need and place your order on our freephone number 0800 137 212. Alternatively you can post or fax your order - whichever is more convenient to you.

We aim to despatch your printing by national carrier within five working days, with rapid delivery to your doorstep so you'll have your print within the week. All you pay for is the basic list price of the items, there are no hidden charges for artwork or origination.

Plus you can make even further savings on your print if you order three standard stationery items at the same time to get an extra 15% discount.

Call us anytime for guidance and look forward to making great savings on your print from the convenience of your own desk.

Marketing

why use full colour?

Full colour looks great Quite simply, using full colour will make your organisation look more professional and will dramatically increase your marketing campaign's response. Lots of studies and research have shown colour to increase readership and information retention.

Various market research studies highlight the power of full colour. People are:

80% more likely to remember what they read if it's in full colour

85% more likely to buy a product promoted in full colour

55% more likely to pick up a full colour mailer first

Can you design for me for me?

We'd love to design for you! To make things really easy for you we've created some great-value artwork packages.

Beside the print item look for the "Artwork package No" and refer to the back cover guide for the low price. Please allow up to 48hours for design, but best to discuss it with your Account Manager

how do I order?

Drop in to see us, or you can deal with us over the phone, by email, by fax or by post. To place an order, we need the following from you:

a signed order form (we can fax one)

full payment (we take credit cards - a 2% surcharge applies - and debit cards, cheques and of course, cash)

clear sharp copies of photographs, logos, transparencies you wish to include (you'll get better results from originals than previously printed items)

a written brief (be as detailed as you can. Include all text and a sketch indicating placement of logos/photos).

do you deliver?

Our prices are based on collection from our store or factory. We can despatch directly to your premises for a nominal charge. Please refer to your account manager to determine delivery charges. Our carrier advertises a 98.5% on time success rate and has live online tracking.
